Camp Olmsted is licensed by the Department of Health of Orange County and is accredited by the American Camp Association.

Overnight and Day Camp Program

ABOUT US

Camp Olmsted is located in Cornwall-on-Hudson, New York on 31 acres of land at the foot of Storm King Mountain in the Scenic Hudson Valley.

Open since 1901, Camp Olmsted has been offering Christian-centered programming designed to address the educational, social and spiritual needs of children. Our summer program serves boys and girls between the ages of 6 and 14 years and often provides the first opportunity for campers to experience fun in a safe environment.

ACTIVITIES

During the summer program, campers enjoy swimming, hiking, nature study, art, reading, sports, computers and ropes challenge course activities.

Campers also have the opportunity to put on theatrical and dance performances. These activities are designed to help campers make friends, build self-esteem and enhance their social skills.

SESSION SCHEDULE

Our typical schedule includes three 12-day overnight sessions from June to August and 6 weeks of day camp that begin in late June and end in August.

REGISTRATION

Camp registration is open from February - June each year. To register, visit our website www.campolmsted.org or call the main office to request paper forms. Parent orientation is required for all first-time campers.

CAMP FEES

The fee per session is \$460. There is also a \$35 nonrefundable registration fee per child. A \$35 sibling discount is available for families that register two or more campers.

SCHOLARSHIPS

Scholarships are available and are based on financial need. Families requesting a scholarship must present proof of income for their household. Full or partial scholarships are awarded on a first come first served basis when available.
